

Audio + Visual Equipment

A full sound and visual test is required prior to the event date.

We do not charge to use our sound or visual equipment.

Microphones are available for add-on purchase.

- **PROJECTOR + SCREEN AVAILABLE IN EVERY ROOM**
- **HANDHELD MICROPHONES (4)**
- **HEADSET MICROPHONES (3)**
- **MEETING MICROPHONE INSTALL (INCLUDES 4 HANDHELD MICS, 3 HEADSET MICS, AND 8 TABLETOP MICS)**
- **APPLE TV, BLUETOOTH & AV CONNECTION (IF RENTING BACK HALF OR WHOLE FACILITY)**
- **HDMI CONNECTION (ANY ROOM)**
- **DVD & CD**

******We do not provide laptops for slideshows or sound. We provide connection cables for HDMI and AV connection. We do not run sound or audio for events. If renting front half or quarter, apple tv and Bluetooth are available, however device used for audio/visual will have to remain in the sound room to maintain strong connection range. This is not recommended for events that will require hands-on access to playlists. This option works well for playlists on shuffle.***

****Please check out our add-on options for specific pricing for microphones.***
